

THE “SLIDE” SHOW at

Friday, April 18, 2008 7:30-11 pm

The Slide Show is a favorite event at the Timber Framers Guild Conferences. Through these images we are inspired, instructed and sometimes amused. We meet new people and are reacquainted with friends. Above all we think about the work we of the timber framing community do. Please consider showing your work.

General Guideliness

- Presenters may show up to ten images of recent timber framing work.
- Images must be of work in which you have actively and directly participated.
- You must be present to talk about your images.
- No commercial logos are permitted.

Preparation

- Images may be of one project or of several, and must involve timber framing
- Images may be presented through the preferred digital format or through slides; digital submissions may be on CDs, DVDs or memory sticks.

- Number your images in the order in which you wish them to appear.
- Label slides with “top” and “front”
- Digital presenters please use two-digit file names to achieve the proper image order: YES: “01.jpg” NO: “1.jpg”. Though jpeg formats are preferred, most others will work.
