Permission to Use and Distribute Name and Likeness

The Timber Framers Guild reports on its activities through the website www.tfguild.org and through publications, including our newsletter, Scantlings, and our quarterly journal, Timber Framing. Narratives and images inform our members and the general public about the projects and events and serve to promote the activities and efforts of the Timber Framers Guild.

Please indicate your willingness to have your name and likeness appear in a publication of the Timber Framers Guild. There is no penalty nor sanction for those who prefer not to appear on the web or in print.

Further, it is our custom following an event to distribute a list of the participants to those participants and the host organization. Please indicate your willingness to have your name and contact information included on such a list.

For questions, please contact Joel C. McCarty, Co-Executive Director, 603-835-2077 or joel@tfguild.org.
